

SAPIK NEWSLETTER

February 2020

MESSAGE FROM THE PRESIDENT

From my side, I would like to welcome every member to 2020. Especially, welcome to all our new members (first registration) as well as members who decided to register again with SAPIK after a few years of absence. Let's take 2020 and stand as a united team of Kinderkineticists and take our profession to new heights.

I urge everyone to register at SAPIK before the cut-off date and that every member will take the time in 2020 to complete their CPD points. Both these aspects are important for SAPIK and its members to move forward.

From SAPIK's side we had a successful board meeting early February where important matters were discussed and planning were done for important events that will take place during 2020.

SAPIK as a Professional Body were also visited by SAQA in middle February for our mid-term evaluation. Everything went well during the visit and I want to congratulate and thank all the board members who worked hard to keep SAPIK growing and reaching new heights.

Good luck with the first semester of 2020, until we meet again at the SAPIK's Annual General Meeting in May.

CPD

Workshop list

- A list of all the possible learning activities that members can attend is updated and will be available on the SAPIK website. Members will also see the accreditation of the learning activities as well as the amount of CPD points they can obtain when completing it.
- Please feel free to let us know if you are aware of new CPD opportunities

Accreditation

- A criteria is set up for accrediting learning activities presented by SAPIK members as well as learning activities presented by other institutions.
- The CPD accreditation team will have a special meeting in May to refine and review learning activities.

Audit

- Members who did not comply with the 2018 CPD audit must hand in their final documentation on **30 April 2020**.
- The 2019 audit will start in **September 2020**. Make sure you complete your learning activity record form and save your CPD certificates. Any member can be selected for an audit.

FINANCE

Financial year

- SAPIK had a successful year in 2020, where our finances were managed well, contributing to SAPIK making a small surplus.
- A sum of money was moved from SAPIK's Savings- to its Liquidity account for a better investment for the future.

CPD Articles:

- **R150**

Registration fee:

- **R1250**

Your membership fee keeps our profession alive by insuring that SAPIK:

- Can afford an administrative person.
- Be able to afford our registration with SAQA.
- Contribute to the marketing of our profession.
- To afford all other administrative and professional costs associated with a professional body.

SAPIK member's Professional Indemnity Insurance will also be renewed in April for another term.

TRAINING
