BOODSKAP VAN PRESIDENT

Beste SAPIK lede

Beste SAPIK lede, 'n hartlike welkom aan alle ou en in die besonder, alle nuwe lede wat in 2019 vir die eerste keer as Kinderkinetici begin praktiseer het! Soos almal weet het hierdie jaar met 'n spoed begin en SAPIK Raad wil vir elkeen van julle 'n voorspoedige 2019 toe wens en mag hierdie jaar net vol hoogte punte en sukses stories wees. Tydens die Raadvergadering wat op 26 Januarie 2019 plaasgevind het in Potchefstroom, is daar weer belangrike besluite geneem en ek versoek elkeen van julle om hierdie nuusbrieff deeglik deur te lees om bewus te raak van al die relevante inligting rakende die komitees, en sodoende op hoogte te bly rakende alle verwickelinge in SAPIK.

Laas jaar se bewusmakingsweek was 'n groot sukses gewees en die Raad het dit goed gedink om hierdie jaar dit weer te doen. Ons het klaar die temas gefinaliseer en is besig om die bemarkingsmateriaal ook te finaliseer wat eersdaags aan julle beskikbaar gestel gaan word. Ons wil julle asseblief weer vra om groot te gaan met hierdie bewusmakingsweek, sonder julle hulp sal dit nie werk nie. Neem asseblief kennis dat SAPIK hierdie jaar weer 'n VPO audit gaan hou en SAPIK sal een van die dae die gekose kandidate in kennis stel. Ek wil ek julle net herinner aan die algemene jaarvergadering wat die naweek van die 24ste Mei 2019 te Potchefstroom gaan plaasvind. Ons het 'n hierdie jaar 'n pediater genader wat met ons gaan kom gesels op die 24ste Mei. Dr. Terri Nunes (Barrow) gaan die aand meer kom deel oor die ontwikkeling van tipiese ontwikkelende babas en prematuur babas. Dr. Terri sal dan ook bietjie meer uitbrei oor na wie toe om te verwys as jy seker teken/probleme optel terwyl jy met verskillende babas werk, maar meer hiervan volg bietjie later. Die jaar gaan ons weer na afloop van die werkswinkel die inhoud van die werkswinkel oor 'n glasie wyn en 'n peuselhappie met mekaar bespreek. Julle ondersteun tydens die bywoning van die werkswinkel sal opreg waardeer word.

Laastens wil ek julle net weer daaraan herinner dat die termyn van die Raad sowel as die komitee-lede die jaar verstryk en daar tydens die AJV in Mei maand die 3de verkiesing van die Raad en komitee lede gaan plaasvind. Let asseblief daarop dat die regte prosedure tydens die nominasie proses gevolg moet word om sodoende te verseker dat die lid/lede wat julle genomineer het of wat hulself verkiesbaar gestel het, wel voor gestem kan word. Ek wil 'n beroep op elkeen van julle doen om indien jy voel dat jy wel 'n geskikte kandidaat is vir 'n seker komitee, jy jouself verkiesbaar sal stel. Die nominasie vorm wat binnekort vir julle gestuur gaan word moet asseblief deur die genomineerde kandidaat en die persoon wat die kandidaat voorgestel het, geteken word en teen die afsnydatum wat die **11de April 2019** is aan SAPIK terug stuur. Indien jy wel voel jy is 'n geskikte kandidaat, maar nie 'n voorteller het nie, kontak my gerus en ons kyk hoe ons 'n plan kan maak om jou op die lys te kry. Laastens, indien daar enige punte is wat jy op die agenda wil plaas vir bespreking, moet dit asseblief voor op 12 April 2019 vir SAPIK te stuur omdat dit 'n geslote agenda is. Hoop om julle almal daar te sien.
