JUNE 2021

Message from the President ●●●

Good day all members,

I would like to start once again with the following as I received feedback that members found it positive and motivating. "You see, the way you think and feel about yourself, including your beliefs and expectations about what is possible for you, determines everything that happens to you. When you change the quality of your thinking, you change the quality of your life, sometimes instantly. Just as positive words can make someone smile or a well-timed humorous quote can make someone laugh, our thoughts react to the world in real-time. You have complete control over only one thing in the universe — you're thinking (Brian Tracy). Also remember Knowing Is Not Enough; We Must Apply. Wishing Is Not Enough; We Must Do." (Johann Wolfgang Von Goethe).

Message from the President ● ● ●

Thank you to everyone who attended the AGM on Saturday 29 May 2021. Everything ran smoothly and we received positive feedback from our members. All questions that were raised during the meeting have been answered. Please read through the document. Members are also welcome to ask to receive the Presidents report as well as the Financial Audited Statements of SAPIK. More than 60% of the registered members attended the online meeting which was a positive sign. We do however want to motivate all the members to attend this meeting in the future as we discuss important matters during these meetings. In this regard a new Board should be elected during the 2022 AGM meeting that will take place on Saturday 28 May 2022, where it is important to have all members for this occasion. We hope to host this meeting in person once again in 2022 so please save the date, as we already started planning to introduce new and exciting initiatives for the 2022 SAPIK AGM weekend.

Message from the President ●●●

From a Board perspective I would like to thank all the Board and committee members for their hard work and sacrifice during the last 12 months. SAPIK is currently led by a motivated and capable team who implemented various new initiatives during the last 12 months and led SAPIK to become a better Professional Body for all our members. We will continue with this in the following 12 months. Thanks to all the support from our members, we appreciate that.

Lastly, as was announced during the AGM, that myself were elected to serve for another 3-years as President up to May 2025. Thank you for the confidence in me. I'm looking forward to reaching new highs and milestones and contributing to the Profession of Kinderkinetics becoming a force to recon with.

Good luck with the second half of 2021.
