

HOW TO USE SAPIK LOGO'S

1. The SAPIK logo, the Kinderkinetics logo and the basic logo of Kinderkinetics (K) are the property of SAPIK and may not be distributed to non-registered Kinderkineticists or be loaded onto the Internet for non-marketing related reasons. These logos are designed by SAPIK and may not be modified. These logos need to be used as they are (design and colour).
2. Old marketing material that does not feature the correct logo's must be disposed of; or in the case where hundreds of pamphlets or similar material are left, members can make use of stickers (where you print the correct logo and stick it on the material).
3. SAPIK updated their logo in 2018 in order to be in line with SAQA's requirements. The new SAPIK logo needs to be in use by the end of 2021. Members are provided with enough time for this new logo to appear on all marketing material. As mentioned in 11.1.8, members can also make use of stickers.
