

CPD EXEMPTION DUE TO ILLNESS - APPLICATION FORM

This is the application form needed to apply for the exemption of CPD points due to illness that prevents a member from practicing for longer than one month.

Due to each application being unique to the specific illness and member, applications will be evaluated on merit. After receiving approval from the SAPIK board the number of CPD points the member will be exempted from will be communicated to them in a feedback letter.

This application form needs to be completed in the year that the member was unable to practice due to the illness.

***This section is mandatory:**

Name and Surname	
SAPIK registration number	
Practice name	
Email address	
Date of application	

Please complete the fields below:

Date of diagnosis	
Estimated duration of sick leave	
Number of CPD points currently	
Number of Ethics points currently	

The following documents should be attached with this application:

- The medical certificate stating diagnosis (and sick leave if applicable) received from a medical practitioner.
- Learning Activity Record Form of the previous year, up to the date of the application.
